# 01 OUR SERVICES

We provide a complete range of solutions through Design, Engineering, and Procurement services across Egypt including technical support and maintenance.

# Fire Fighting & Rescue Services

High Secure System offers Fire Fighting Rescue Services with a certified, continuously trained team, providing 24/7 on-site protection. Supervised by health and safety engineers, we deliver tailored fire safety solutions, including risk assessments and consultations.

# Fire Fighting Services

We design and implement fire-extinguishing systems using automatic extinguishing with water sprinklers as well as automatic shutdown with carbon dioxide gas, selection of fire pumps, and all types of fire piping networks

# Fire Alarm

We supply and maintain all fire alarms such as Conventional, Addressable, Gases Detection Systems

# HVAC System

We supply, maintain, and support all HVAC systems such as “Chillers, DX, VRF, and VRV systems, DX systems, Air Ducts, and Black steel Duct

# Plumbing Services

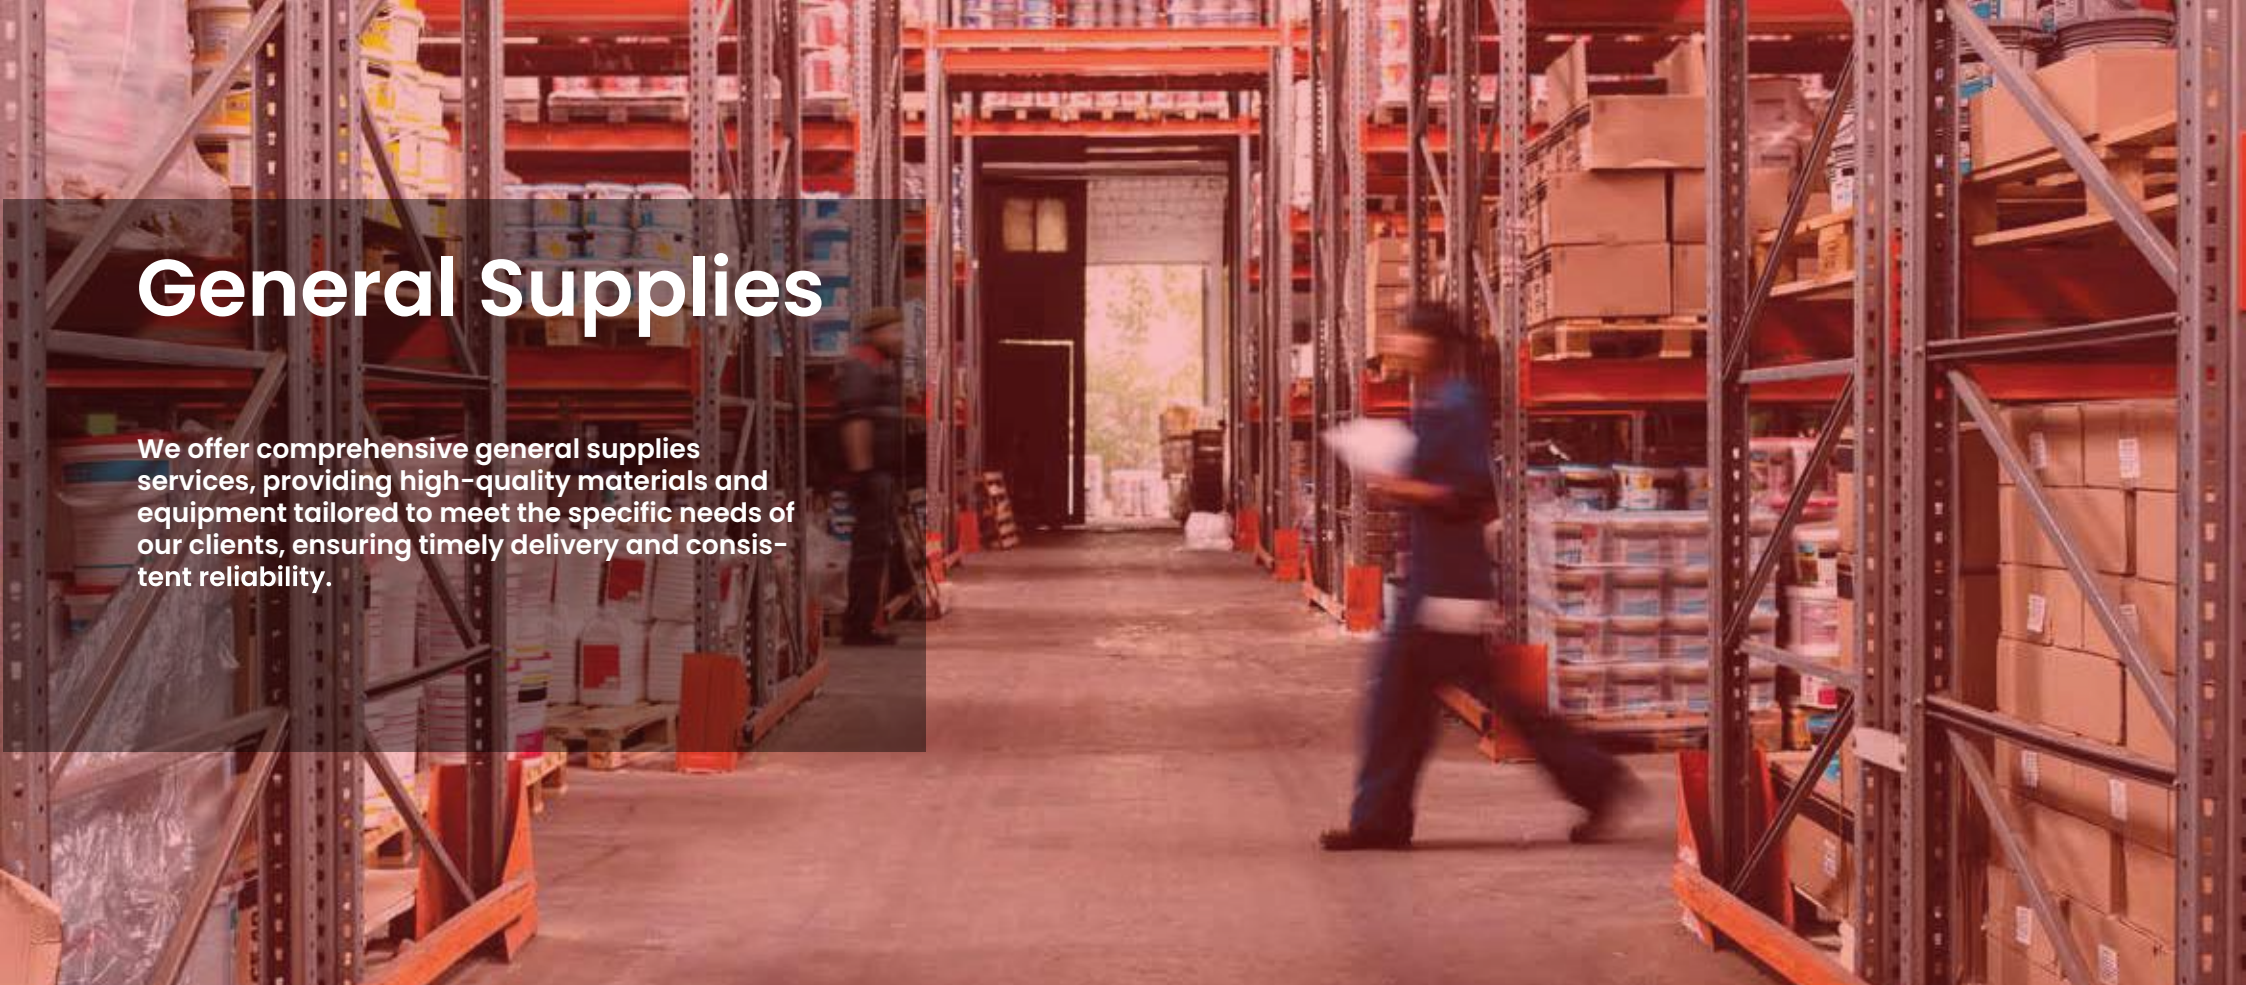

High Secure System provides expert plumbing services, including installation, maintenance, and repairs, with a focus on reliability and customized solutions.

# General Supplies

We offer comprehensive general supplies services, providing high-quality materials and equipment tailored to meet the specific needs of our clients, ensuring timely delivery and consistent reliability.

# Maintenance Services

High Secure System delivers reliable maintenance services, covering everything from routine upkeep to emergency repairs. We ensure optimal performance and longevity for your facilities through skilled, timely, and comprehensive solutions.

# Light Current

provides a variety of Light-Current solutions that serve all the available needs of Businesses and Consumers. All your needs will be covered, through our commitment to fulfilling your needs.
